

*In Loving Memory of  
Irmgard Hess Schlenker*

*1936 - 2011*

*Irmgard lived an amazingly full and rich life.  
A native German, a sister, an immigrant, a student, a wife,  
a mother, a teacher, a nurse, a guide, an adventurer,  
a reformer, a friend, a caretaker, a giver, an inspiration.*

*She was tireless in effort, grateful of heart,  
curious by nature, and loving to all.*

*Irmgard's greatest passion was for each of us to learn and  
cherish our culture and heritage.  
To never forget all that which came before us.*

*Her family, friends, and students will miss her greatly.  
What she taught and who she was will never be forgotten.*
